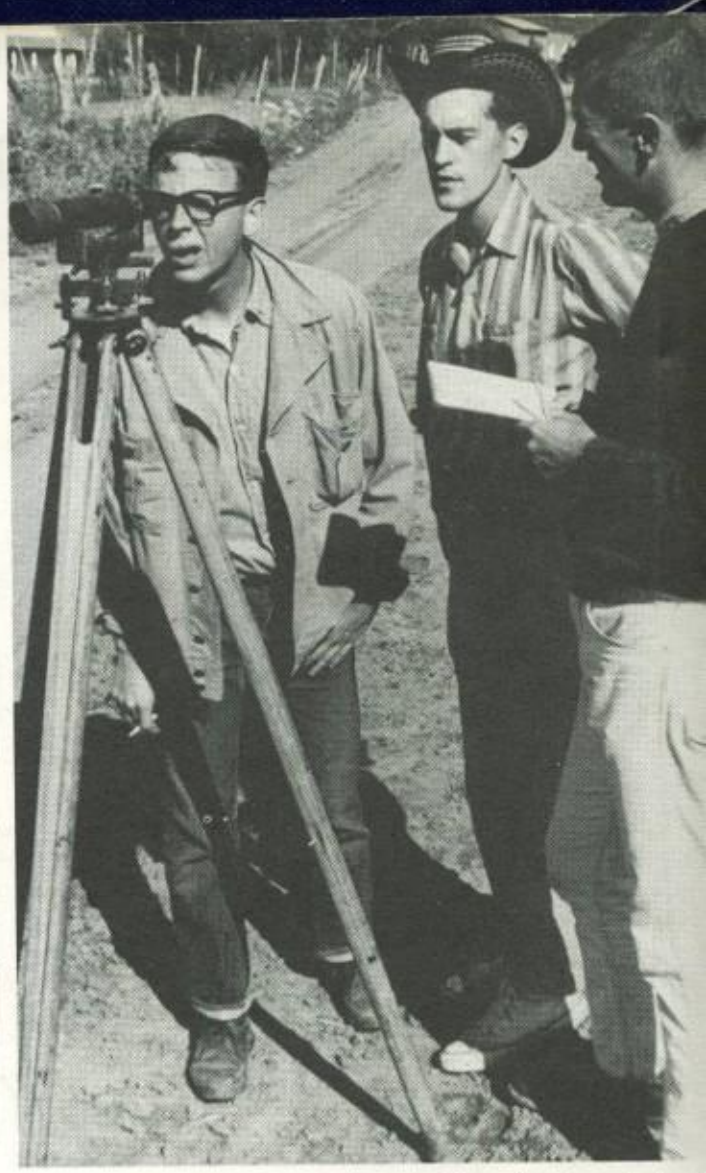
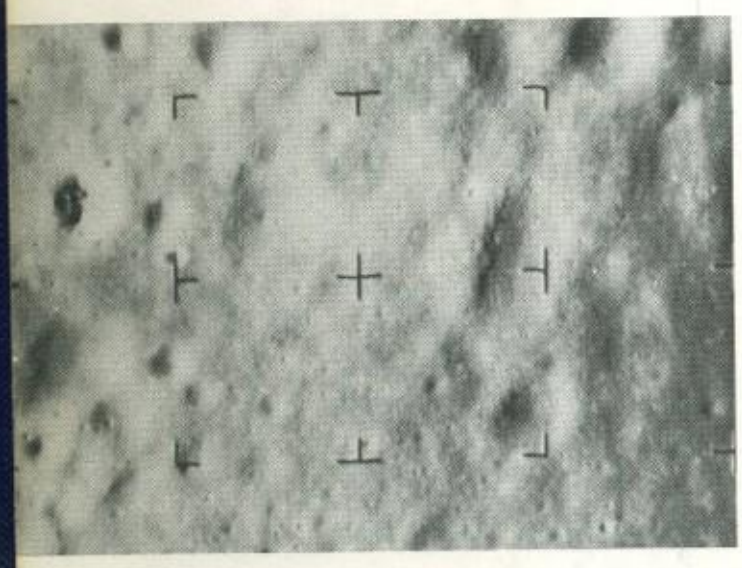
1965

PIONEER

Capital Appearance—The Beatles performed for a youthful audience in Washington on the night of February 12.



Opening for Juniors—These college juniors joined the Peace Corps' new summer project for six to eight weeks of training similar to that for regular Peace Corps volunteers. They later did surveying work near Taos, N.M. After graduation they will be sent to Latin America.

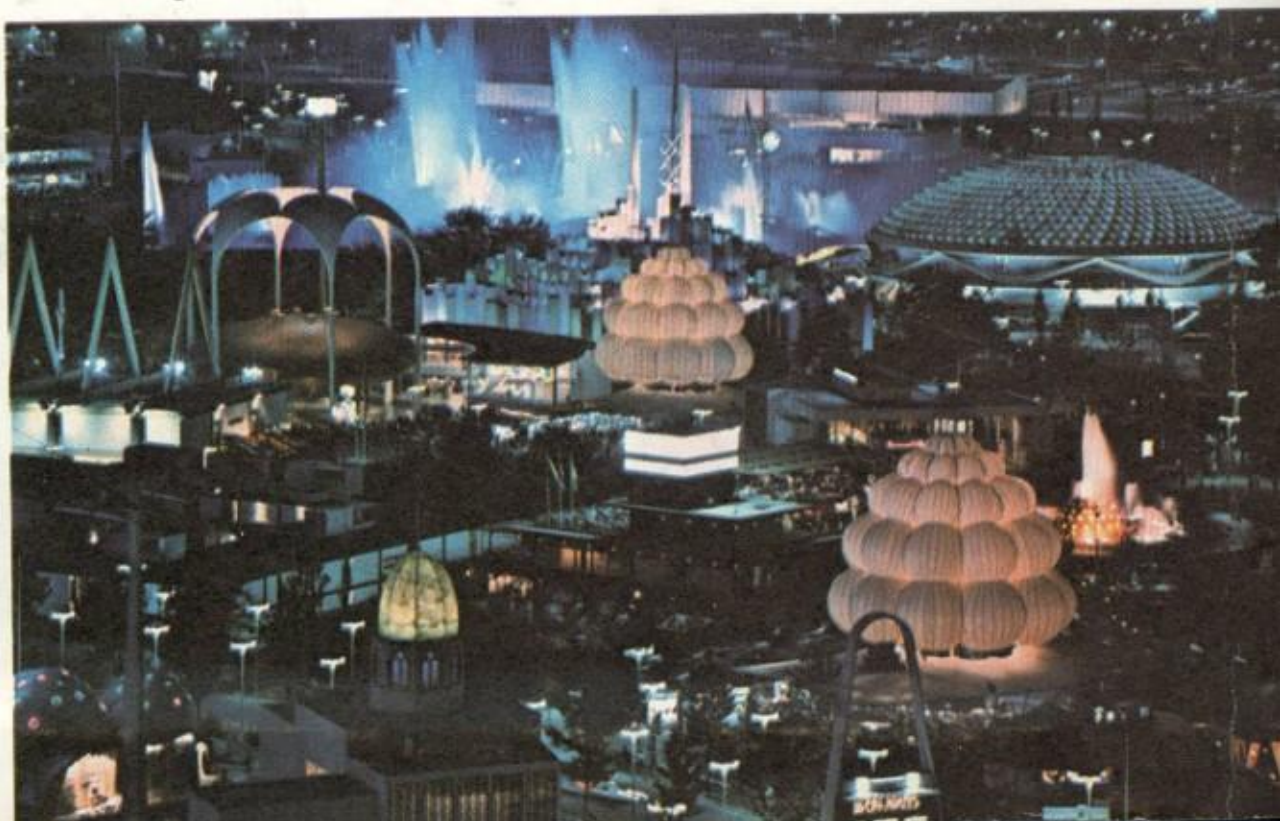


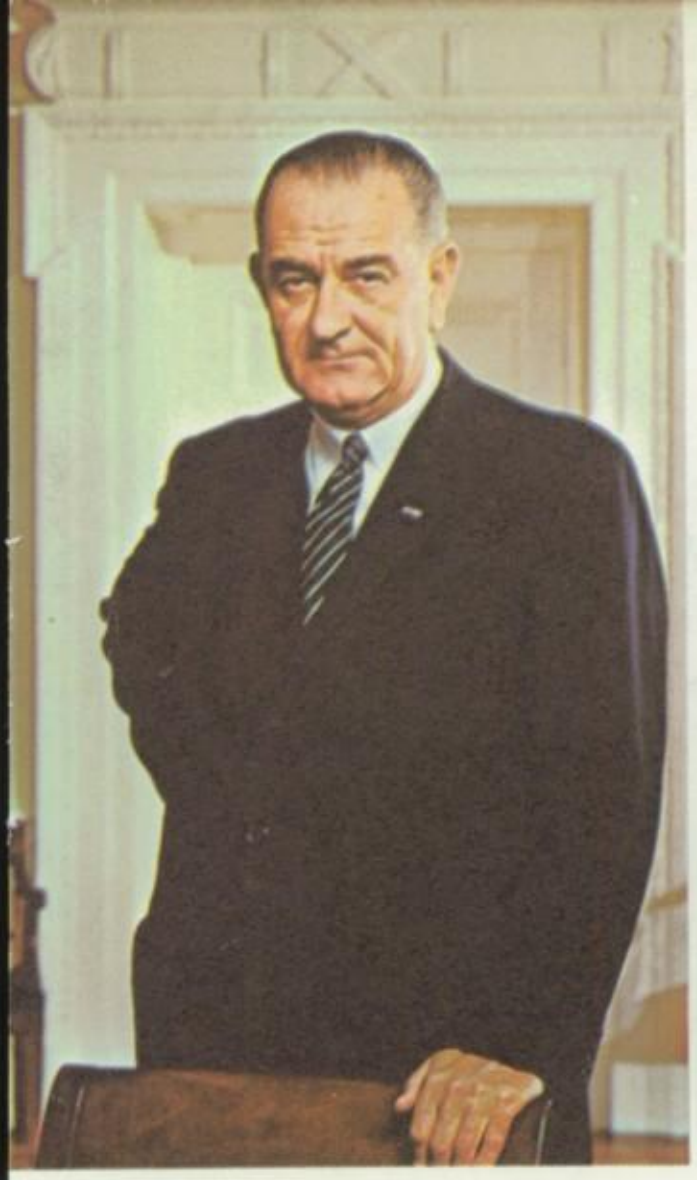
Ranger on Target—This is a photograph of the lunar surface taken by the Ranger 7 spacecraft prior to its impact on the moon July 31st. The area shown is about one and two-thirds miles on a side. The smallest craters are about 30 feet in diameter and 10 feet deep. Some of the large craters are about 300 feet in diameter.

Family Grieves—Gust Carlson, father of Dr. Paul Carlson, medical missionary slain by rebel troops in the Congo, dabbed at his eyes during a news conference in Los Angeles on November 24. He is flanked by his daughter and another son.

New Teen-Age Queen—Smiling Carolyn Mignini, 17, of Baltimore was crowned the new Miss Teen-age America of 1965 in Dallas on November 13.

World's Fair at Night—The New York World's Fair attracted as many visitors at night as it did during the day following its April opening. The nighttime lights set off the beautiful pavilions constructed by many countries.





Democratic Victor — President Lyndon Johnson won the 1964 election by the greatest plurality and per cent of the total vote in U. S. history. Johnson became President at the assassination of John F. Kennedy in 1963.

Barry's Battle for Votes—Sen. Barry Goldwater was surrounded by fans at Knoxville, Tenn., airport September 16 as he campaigned for the presidency on the Republican ticket. The conservative senator swept to a first-ballot nomination at the convention in San Francisco.

Nobel Prize Winner—Dr. Martin Luther King, Jr., right, was greeted by Richard C. Patterson, commissioner of public events, at Kennedy International Airport Dec. 16 on arrival from Europe. Dr. King was in Oslo to receive the 1964 Nobel Peace Prize.

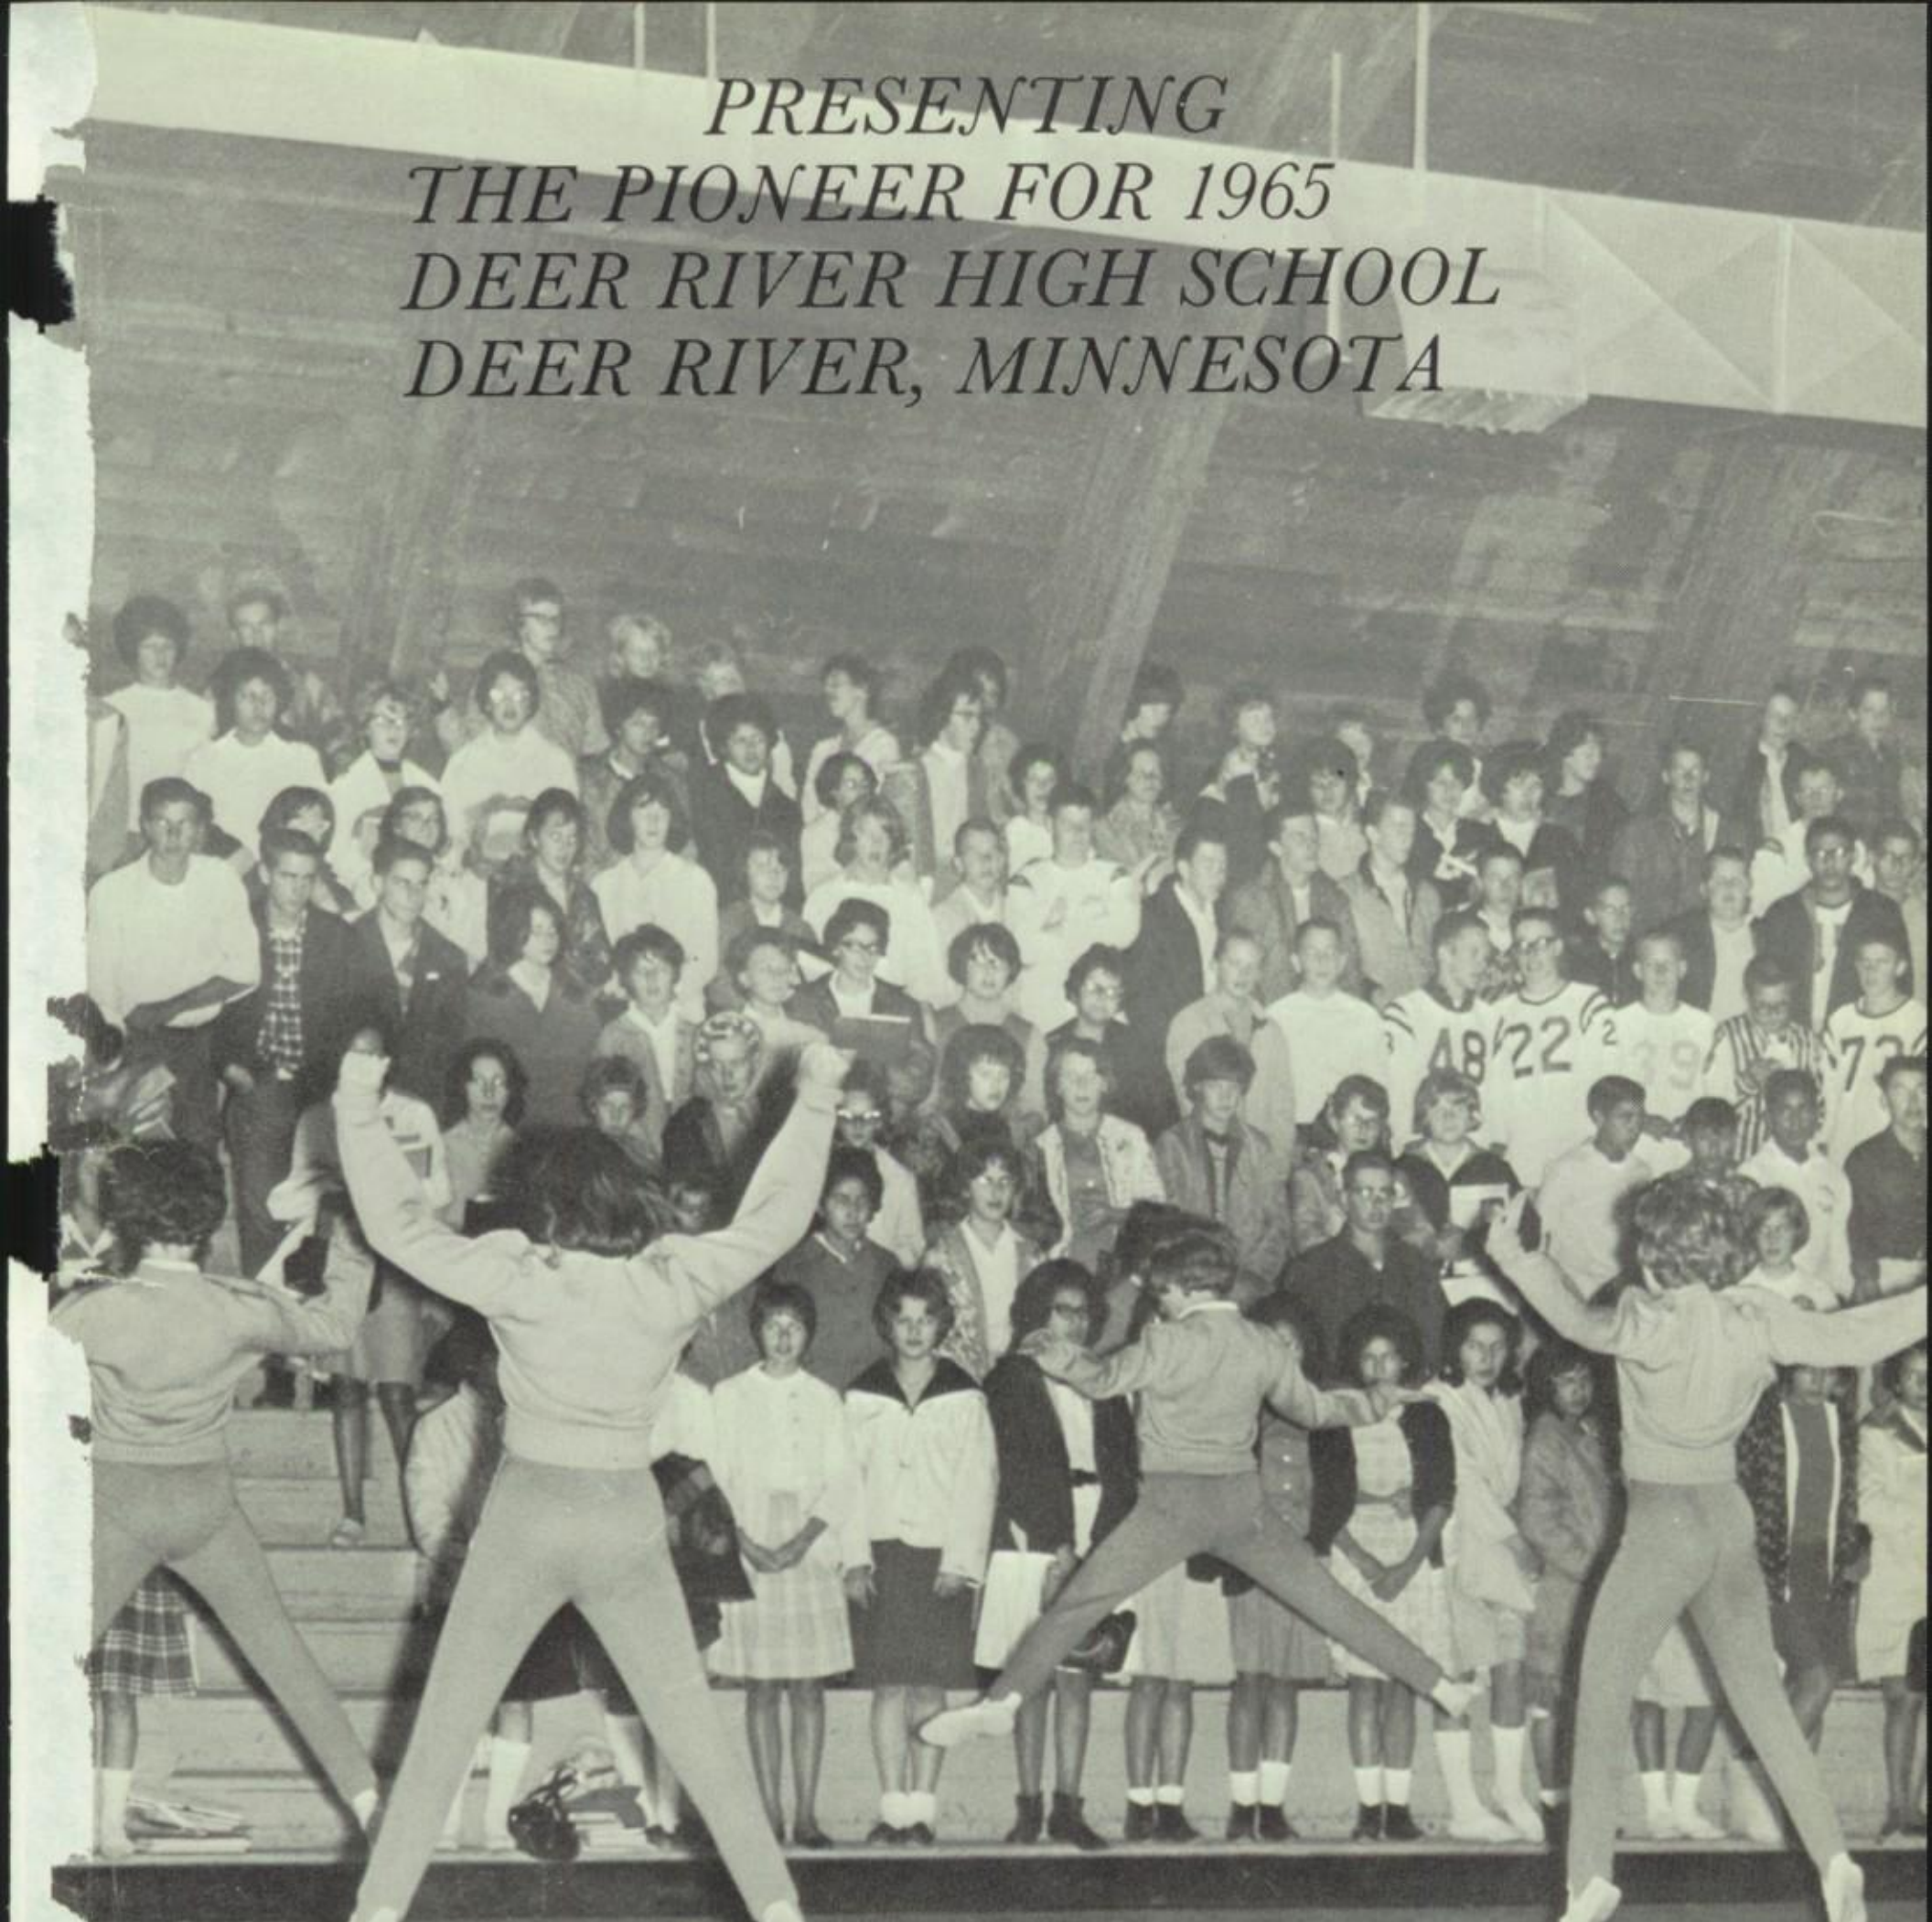
National Events in Review—1964

Cards are the Winners—Roger Craig leaped on a group of teammates surrounding the pitcher Bob Gibson moments after the last out in the seventh World Series game won by the Redbirds over the Yankees, 7-5, in St. Louis.

I'm the Greatest—Cassius Clay whooped it up with his handlers after he won the world heavyweight title in Miami Beach in February. He was credited with a technical knockout of Sonny Liston when Liston failed to answer the bell for the seventh round.

Alaskan Quake—A whole line of cars rested about 20 feet below street level on a main thoroughfare in Anchorage the day following the disastrous earthquake on March 27.

PRESENTING
THE PIONEER FOR 1965
DEER RIVER HIGH SCHOOL
DEER RIVER, MINNESOTA



Thinking back through our years of Deer River High School, we uncover memories of proms, homecoming, class plays, and all of the joys and sorrows of our past school years.

Now we must think realistically about our future. We undoubtedly will face a new world as different and as exciting as Columbus might have envisaged in 1492 could he have foreseen the future scientific wonders of this great America he was to discover. The memories of the past are much too numerous to recall. And now it's over. Baccalaureate and graduation are near. There seems a note of sadness in leaving this behind, but we must now realize the unlimited opportunity for happiness, success, and prosperity that awaits us in the future.

IN MEMORIAM

MAXINE KAY MILLER

Candles provide a warm light as did our sweet Maxine

But as a candle-light flickers in a storm

And slowly falls into darkness,

So flickered and died this life so dear to our hearts;

But as the memory of a candle lingers on,

So linger the memories of a friend so dear.

RICHARD JOHNSON

He was one of the guys with a friendly way and a ready smile.

He won many friends and gained their respect.
To know and befriend him was really worth-while.

Rick, too, will live forever in our hearts.

Many ambitious and hard working Deer River students have given long hours of effort to our extra curricular activities. By participating in and supporting our school organizations, a student proves his courage--shows what he can do himself and what he can contribute to his school's progress and success. My congratulations and best wishes to all students who have played, served and loyally supported the activities of our high school in 1964-65.
